PARISH AND SCHOOL EVENTS

The school year is off and running as the students started back this past week. Our current enrollment this school year is 138 students. We are looking forward to a faith-filled school year!

Christ Child Academy has released the reopening plan for the 2020-2021 school year which can be found at www.ChristChildAcademy.com. This plan is the overview of our alignment guided with the support from the Archdiocese of Milwaukee, Wisconsin Department of Public Instruction, Sheboygan County Health Department and the Centers for Disease Control and Prevention (CDC). CCA has all intentions of students being in school 5 days/week for in person learning with safety and disinfection guidelines in place.

Christ Child Academy is once again participating in Box Tops for Education program. The Box Tops mobile app uses state-of-the-art technology to scan your store receipt within 14 days of purchase, find participating products and instantly add Box Tops to your school's earnings online. It's another easy way for you to help the school by purchasing the products you already use! Enlist your family, friends and neighbors to collect the Box Tops, too. The traditional Box Tops clips are being phased out of production, but you can still drop them off in the collection bin at church or drop them off at the school office. We would like to thank you for your continued support of this program.
